The following provision sets forth the minimum refund permitted by law to a retail customer:

A retail customer who makes a purchase of \$25.00 or more has three business days after the sale or execution of a contract to cancel the order and receive a full refund consistent with the cancellation notice on the order form. When an Associate makes a sale or takes an order from a retail customer who cancels or requests a refund within the three business day period, the Associate must promptly refund the customer's money as long as the Products are returned to the Associate in substantially as good condition as when received. Additionally, Associates must verbally inform customers of their right to rescind a purchase or an order within three business days, and ensure that the date of the order or purchase is entered on the order form. All retail customers must be provided with two copies of an official ASEA sales receipt at the time of the sale. The back of the receipt provides the customer with written notice of his or her rights to cancel the sales agreement.
